myBlueprint

Family/Advisor Access to myBlueprint

myBlueprint is your tool for planning in high school and beyond.

Grades 7-12 students at SD83 and their families have access to myBlueprint's Education Planner to support informed pathways planning.

Create your account to get started:

- 1. <u>Visit:</u>
 http://myBlueprint.ca/sd83
- Select <u>Sign up</u> and your student's school from the drop-down menu
- Select Family/Advisor Account type Follow the account creation steps

Support your student with pathways planning

Students at SD83 use myBlueprint for pathways planning and post-secondary exploration. The platform encourages students to learn about themselves, set goals and document their skill development and competencies. You are encouraged to create a family account to connect with your student to support them in their pathways planning.
